Thank you for the connection, Andrew. Moving you to BCC.  
I hope you are well too!

Hi Michael,

I'm the head of communications here at the Hammer Museum. I've heard a bit about Westwood Forward, and I'd love to hear more. I'd also like to think about what role the Hammer might play. Would you be open to having a coffee, on me, at the museum sometime soon?

Have a nice weekend,

Mitch

Hi Mitch,

I'm so glad you reached out. I hope all is well!

I'm copying Michael Skiles on this email. Michael is the Graduate Student Association President and the leader of the Westwood Forward movement that is striving to bring housing and nightlife/entertainment to Westwood. I'm sure he would be happy chat, and I don't need to be a part of that call unless you would like me to be.

Good luck! I always enjoy introducing good people to each other.

Thanks! Have a great weekend.

Andrew

Hi Andrew,

Annie relayed to me a bit about the group of UCLA students who are organizing to have a role in Westwood's development. If I understand, they are particularly interested in places for socializing and nightlife. I wonder if there's a way the Hammer can connect with them. If nothing else, it would be helpful to hear how we can better serve that part of Westwood's residents.

Would you be willing to connect us with them? Or maybe have a brief call with me tomorrow or next week?

Thanks,

Mitch
